Notes From The Manager

I don't want to miss Posse

One of the highlights of Chip Dickey's camp is an event called posse on Wednesday night. Here the bible study teams travel in the dark from place to place on the ABC campus as stealthily as possible to obtain "chips" from various counselors stationed at different spots. Standing in their way is the posse - staffer or counselor armed with water guns and dressed in camouflage. They stop the different teams and make them recite Bible verses or do push ups and if not done to their satisfaction they take their teams chip and they have to go back to the last station to obtain another chip. The team that receives all of the chips and makes it back to the base first is the winner.

This past summer one little boy was doing a back flip off the top bunk and hurt his back. His counselor brought him to the hospital to be checked out, as he left he kept saying "I don't want to miss posse". Thankfully, later that day he returned and that night ran around playing posse. Many life changing experiences take place at camp. Over the years young and old have shared with me how they were saved at ABC or surrendered to the ministry or grew closer to the Lord. This is only possible through the support of many people. Consider praying for and supporting the ministry here at ABC as the Lord leads.

2008 Summer Staff

Acadian Outdoor School at Acadian Baptist Center

September 1, 2008, will mark the beginning of the second year of Acadian Outdoor School (A.O.S.). We have sent out just over 800 letters to teachers in a six-parish area and re-contacted the teachers who brought students last year.

This year we hope to have two times (900-1000) to three times (1350-1500) as many students come through than last year. We had approximately 450 to 500 students come to A.O.S. in 2007-2008.

Please pray for in-roads of sharing the Gospel of Jesus Christ with the teachers and students who visit. Please also pray that we will be ready, as a crew of instructors, to share the love of Jesus with the students as we teach the kids about the outdoors and developing healthy character traits through team-building. Please also pray that the students come back for A.B.C. weekend retreats and summer camp to hear more of the life-changing Gospel of Jesus.

Thank you for your continued support. If you, or someone you know, would like to help teach classes or provide classroom materials, please feel free to contact Guy Atkinson at (337) 457-9047 or AOS@ABCCamp.com.

We have collected \$192,678.35 in cash and \$369,870.77 in cash and pledges so far for the dining hall expansion. We estimate the total cost to be around \$500,00.00 and we hope to begin construction on October 1, 2008

There are many exciting things going on around here.

If you would like to be a part of building the ministry of ABC please fill out the commitment form on the right and send it back to us.

It was a great summer of Camps. We are already planning and looking forward to next year!
